

國立虎尾科技大學光電工程系光電與材料科技博士班修業規章

**Regulations for Studying in Ph.D. program of Electro-Optical and Materials Science of Department
Electro-Optical Engineering of National Formosa University**

113年07月09日112學年度光電工程系第8次系務會議通過

Approved by the 8nd Department committee in 2024, Department Electro-Optical Engineering, July 9, 2024

第一條 本規章依據國立虎尾科技大學學則與博碩士學位考核辦法訂定之。

Article 1 The rules are based on the “Regulation Governing the Evaluation of Academic Degrees for Doctors and Masters”.

第二條 本系博士班由本系專任或合聘助理教授以上教師所指導，學生之修業悉依據本辦法辦理。

Article 2 The doctoral students of this department are guided by teachers who are full-time or co-appointed assistant professors with certificates or above, and their studies shall be handled in accordance with these regulations.

第三條 課程學分規定

Article 3 Course Credit Requirements

一、本系博士班必修科目包括博士論文（十二學分，畢業時才核給）、專題研討（一學年、零學分）共十二學分，且須通過學術研究倫理教育課程。

1. The compulsory subjects for doctoral students in this department include a total of 12 credits for a doctoral dissertation (twelve credits, only approved upon graduation), a seminar (one academic year, zero credits), and must pass the academic research ethics education course.

二、學生於通過博士資格考試後始得修習博士論文。

2. After passing the Ph. D. qualification examination, students can study the doctoral dissertation.

三、本系博士班應至少修滿十八學分，其不包括博士論文、專題研討。

3. The doctoral students in this department should take at least 18 credits, which does not include doctoral dissertations and seminars.

四、學生得經由指導教授同意後選修非本系博士班開設課程，至多承認九學分。

4. Students have to obtain the approval of their advisors to take courses not offered by the Department of Doctoral courses, and at most nine credits are admitted.

第四條 資格考試

Article 4 Qualification Exam

本系博士班研究生均須參加資格考試，資格考試以筆試方式舉行，欲參加之考生須於每學期規定期間內提出申請，未依資格考試辦法規定通過者應予退學，或提高畢業研究成果，資格考試實施要點及辦理提高畢業研究成果詳細辦法另訂之。

All doctoral students in this department must take the qualification examination. Qualification examination is held by written examination. Candidates who want to participate must apply within the specified period of each semester. Those who fail to pass the qualification examination regulations should be dropped out of school or improve their graduation research results. The key points for the implementation of the qualification examination and detailed methods for improving graduation research results are separately formulated.

第五條 博士學位候選人資格

Article 5 Doctoral Degree Candidate Qualification

一、審定博士班研究生於修滿第三條第三款規定學分並且通過資格考試，始得提出博士學位候選人資格審定之申請，經指導教授同意，送本系審查通過，方能取得博士學位候選人資格。

After completing the credits specified in paragraph 3 of Article 3 and passing the qualification examination, the approved doctoral students can apply for the qualification of doctoral candidates. After the approval of the advisor and the approval of the department, the Ph.D. students can obtain the qualification for PhD candidates.

二、博士班研究生應於取得候選人資格的同時，提出博士論文主題與專業領域相符檢核表（第一階段）經系（所）召開學術委員會議完成審核並通過。

Ph.D. students should, at the same time as applying for doctoral candidates, submit the "Dissertation Topic and Corresponding Field of Study Checklist" (completing the first stage of the checklist). The checklist must be reviewed and approved by the department's academic committee.

第六條 研究成果統計

Article 6 Statistics of Research Results

本系博士班研究生發表之各項論文、技術成果均列入畢業條件之審查，研究成果詳細辦法另訂之。

All the papers and technical achievements published by the doctoral students of this department are included in the examination of graduation conditions, and the detailed research results are stipulated separately.

第七條 修業年限

Article 7 Years of Study

博士班修業年限最少二年，最多七年。

The length of study for doctoral students is at least two years and the maximum is seven years.

第八條 申請博士學位考試資格審定

博士班研究生於獲得博士學位候選人資格後，研究成果達到規定之標準，經指導教授書面同意後，始得提出學位考試之申請，經本系資格審查審定合格，及通過口試委員名單後，始得安排學位考試。

Article 8 Applicants for qualification examination for doctoral degree

After the doctoral students have obtained the qualifications for doctoral candidates and the research results have reached the prescribed standards, they can apply for the degree examination after the written approval of the advisory professor. Furthermore, after passing the qualification examination of the department and passing the oral examination committee list, then the degree examination can be arranged.

第九條 博士學位考試資格審查委員會議委員由本系學術委員會組成，並請指導教授列席。

Article 9 The members of the Doctoral Degree Examination Qualification Review Committee are composed of the academic committee of the department, and the advisory professor is invited to attend.

第十條 學位考試依據本校相關辦法辦理，第一次未通過者得重考一次，論文考試及格者始得畢業。

Article 10 The degree examination is handled in accordance with the relevant regulations of the school. Those who fail the first time have to retake the examination, and those who pass the thesis examination can only graduate.

第十一 本辦法如有未盡事宜，依相關法令及本校規定辦理。

Article 11 If there are any matters not covered by this regulations, it shall be handled in accordance with relevant laws and regulations and the regulations of the school.

第十二條 本規章經系務、院務會議通過，送教務會議審議通過後，陳請校長核定公佈實施，修正時亦同。

Article 12 This regulation is approved by the departmental affairs and academic affairs meeting and sent to the academic affairs meeting for deliberation and approval, and then submitted to the principal for approval and promulgation for implementation. The same applies for amendments.
